

AutoCAD LT 2015 for Designers

AutoCAD LT 2015 for Designers textbook explores all the tools, commands, and options of AutoCAD LT 2015. Additionally, it covers the sketching, editing, annotating, dimensioning, hatching, and plotting techniques that will help users in developing the drafting skills. Updated to the latest release of AutoCAD LT, the textbook enables professionals to create and share design information faster than ever. The textbook takes the users across a wide spectrum of engineering solutions through progressive examples, numerous illustrations, and relevant exercises, thereby making it an ideal guide for both the novice and the advanced users.
