Not illustrated. 1870 edition. Excerpt: ...News came that the Queen was dead. Stator Jove, and Phoebus, king of verse, were left there, hovering to this day, over the votive tablet. The picture was never got any more than the spoons and dishes--the inspiration ceased--the verses were not wanted--the ambassador wasnt wanted. had warmed the politician, Cured yesterday  
of my disease, I died last night of my...
